

Rich and Chris Chesmore GFRC College Scholarship Application Form

The Greater Framingham Running Club is pleased to announce that we will be awarding two \$1,000 college scholarships to local high school seniors; one male and one female.

The scholarships will be presented to local high school runners who plan to attend either two or four-year accredited college or university and also intends to run cross-country, track or recreationally while in college.

Each applicant should write an essay (no more than one page) on what running means to him or her. In addition, each applicant should submit a letter of recommendation from a track or cross country coach.

The scholarship committee will consider each applicant's dedication, leadership, running talent, commitment and academic achievement. The awards will not necessarily go to the runners in the greater Framingham area with the most success in running, but will be awarded to the track or cross-country team member who has always been committed, consistently works hard to persevere, and exemplifies academic achievement and leadership abilities.
